Hytron® is a hard working, caustic-free, fully active detergent for use in institutional mechanical dishwashers. Ideal size for guests' use in resort rentals.

Hytron® emulsifies grease by keeping it in dynamic suspension. It also de-stains dishes (including plasticware). It assures clean and sparkling dishes, glassware, and silverware.

When used as directed, Hytron® keeps dishes, glassware, and silverware free from spots and water marks.

Directions

Empty contents of pack into detergent dispenser compartments. Run machine as usual. Use 1 pack per 3 gallons of water.

Personal Protective Equipment: Wear protective gloves. Wear protective eyewear.

Unused Product Disposal: Unused product or its solutions may be poured down the drain. Never pour unused product or its solutions down an outdoor drain.

Improper dilution or improper use of this product may result in skin and eye irritation, damage to surfaces and unsatisfactory cleaning performance.

Pack Recycling: Empty packs should be rinsed out with cold water and then placed for recycling where accepted.
